1. **Yes**
   True! Your tongue tastes sweet, sour, salty and more.
2. **No**
   False! You hear with your ears. Your nose is for smelling.
3. **Smell**
   Your nose smells the cookies. That is your sense of smell.
4. **Hands**
   You feel soft fur with your hands. That is your sense of touch.
5. **Hearing**
   You hear the bark with your ears. That is your sense of hearing.
6. **5**
   You have 5 senses: sight, hearing, smell, taste and touch.
7. **Touch**
   You feel soft with your skin and hands. That is your sense of touch.
8. **Taste**
   Your tongue tastes sour, sweet and salty. That is your sense of taste.
9. **Smell**
   Your nose smells the buttery popcorn, even with your eyes closed. You might hear it pop, too!
10. **Yes**
    True! When you eat pizza you see it, smell it, and taste it all at the same time.
11. **Touch**
    Your skin feels heat. That is your sense of touch. It warns you to pull your hand away.
